

FUN IN THE SUN

APPLAUSES

Clean Air Cheer. Take a big whiff of air and exhale and go AHHHHHHHHHHHHHHH

Wave Cheer. As you've seen done at sporting events, raise your arms above your head and stand up, then sit back down. Do with a ripple motion around the room.

Summer Fun Cheer: Tell the group when you say "summer" or "fun", they are to say the opposite. Vary the speed you use to see whether they can keep up.

Surfboard: Pretend to be riding a surf board, run it onto the beach, jump off, spread arms wide, say "Success!"

Diver's Cheer ii: Same as above, but jump off and say "Kersplash." "Perfect!"

The Wave: Start with one side and let the wave go around the room twice.

Seal of Approval: Elbows together and clap hands straight out and bark like a seal.

Shades: Pretend to put on your sun glasses and say, "Cool man, really cool.

Catsup: Hit the bottom of the bottle three times and say, "Oh, splat, too much!"

Marshmallows: Put marshmallow on stick, hold over fire, it catches on fire, blow out, say, "Just right."

Beach: Pretend to take a few steps, stop, take off shoes, empty out sand. "Dog gone sand!"

Sore Feet after a Long Hike: "Ouch, ouch, ouch," Sit down and take off boots. "Ahhh!"

Caterpillar & Leaf: Hold leaf in both hands, munch along edge, swallow and burp.

RUN ONS

Cub #1: What kind of exercise can you get on a boat?

Cub #2: A-ROW-bics!

Cub #1: Why do fish have schools?

Cub #2: So the buoys and gulls can get an education.

SPARKLERS

Cub #1: Do they have Scouts, too?

Cub #2: Sure do! Buoy Scouts and Gull Scouts.

Cub #1: What do Buoy Scouts do?

Cub #2: Make sure the coast is clear.

Knock-Knock.

Who's there?

Indy.

Indy who?

Indy end, we had a great time on our go-see-it!

Cub #1: How does the sun say hello?

Cub #2: With a heat wave.

Cub #1: Man points to sky, "Is that the sun or the moon up there?"

Cub #2: I dunno, I'm a stranger here too.

Cub #1: What is the difference between the rising and setting sun?

Cub #2: A day.

Cub #1: Why is the prairie so flat?

Cub #2: Because the sun sets on it every night.

Cub 1: What did the water say to the sponge?

Cub 2: Quit soaking.

Teacher: What is the formula for water?

Student: H-I-J-K-L-M-N-O.

Teacher: Whoever told you that

Student: You did! You said it was H to O.

Cub 1: Why did the boy throw water out of the window?

Cub 2: He wanted to see a waterfall.

Cub 1: Why is it so hot after a baseball game?

Cub 2: All the fans have gone home
