

## JUNGLE SAFARI

**Rainstorm in the Jungle Cheer** – Divide the group into 5 smaller groups. One group rubs hands together at the direction of the Cubmaster. Second group is to snap fingers. Third group is to clap hands. Fourth group is to slap their thighs. Fifth group is to stomp their feet. The Cubmaster points to the first group as they begin their action. Each group, once started, continues until the Cubmaster points at them a second time to stop. After the first group starts, the Cubmaster points to the second group, and then the third, and so on until all the groups are participating in a loud and crashing rain storm. Then the Cubmaster stops the groups in reverse order as the storm dissipates and calm returns.

**Taming of the Wild Lion** - Simulate having a chair and whip in hand. Hold chair out and crack whip while yelling "Back, back, back!" Help, help, the lion has the whip.

**Safari Trailblazer** - Put hand on forehead like looking far away and say, Blaze, blaze, blaze!"

**Elephant** - Let your arms act as trunk. Wave it in front of your face. Raise your arm up and roar.

**Monkey** - Semi squat position. Raise hands to ribs under armpits. Make motions of scratching while hopping up and down saying, "Eeeek, Eeeek!"

**Jungle Cheer** - Ee-Ee, Caw, Caw, Screech Divide the group into three giving each group a sound to make. Each makes their sound separately. Then all together.

**Toucan** - Hold hands in front of mouth, simulating a bird opening its beak, several times while saying "TOUCAN, TOUCAN, TOUCAN! A CUB (SCOUT) CAN TOO!!!"

**Alligator** - Everyone puts their arms out in front of their body palms together, open the jaws of the alligator by spreading the arms in vertical motion, slowly, then snapping the jaws shut very quickly. repeat 3 times
